

Market-Reference Product Data Sheet

Revision MR-2026-08 | Issued 12 August 2026 | English

PRELIMINARY - NOT A SUPPLIER-VERIFIED TECHNICAL DATA SHEET. Values below support early project discussion only. Final production dimensions, formulation, coverage, finish, installation, packaging, MOQ and lead time must be confirmed in writing before quotation or order.

Reference configurations

JH WPC reference	Product	Nominal size	Coverage basis	Material / surface	Commercial basis
MR-WPC37-160-22-30 00	Fluted interior WPC panel	160 x 22 x 3000 mm	Typical 150 mm planning coverage	Hollow WPC; decorative-film surface direction	Reference MOQ 1,500 m2 per model/finish
MR-WVB002-1220-244 0-5	Bamboo-charcoal decorative WPC sheet	1220 x 2440 x 5 mm	1220 mm nominal sheet module	WPC decorative core; hot-stamp foil and protective-film reference system	Reference MOQ 100 m2 per model/finish
MR-MOT0326-400-8-5 950	PVC integrated interior wall panel	400 x 8 x 5950 mm	Typical 400 mm planning coverage	PVC-based system; exact filler formulation not yet verified	Reference MOQ 3,000 m2 per model/finish

Installation planning

Typical project routes may include adhesive fixing, concealed mechanical fixing, or a batten/subframe system depending on the exact panel, substrate and site conditions. Substrates must be stable, clean, dry, flat and suitable for the selected fixing system. Joint geometry, expansion allowances, adhesive chemistry, mechanical fixing spacing and trim details are order-specific and are not defined by this preliminary sheet.

Customization and ordering

Item	Planning position
Finish / color	Selected by inquiry and confirmed against an approved sample.
Length	Custom-length feasibility depends on profile, production line, transport and order quantity.
Branding	Private labels, barcode and carton artwork may be reviewed for OEM projects.
Packaging	Reference listings mention cartons, wrapped bundles or pallets; final package quantity and dimensions require quotation.
Performance / compliance	No fire, VOC, formaldehyde, acoustic, moisture or environmental classification is claimed by this document.

Source and review status

Public market-reference source: Jiaxing Rayto New Material Co., Ltd. listings on Made-in-China, reviewed 12 August 2026. This document is compiled by JH WPC for controlled early-stage inquiry use. It is not a supplier specification, test report, certificate, production drawing, warranty or binding quotation.

Before order: request the current supplier specification, dimensioned production drawing, approved finish sample, installation guidance, packaging schedule and commercial quotation.
